for the

during the week of

July 28th through Aug. 1st, 2008 from 4 PM to 8 PM at

BORELLA FIELDS

CAMP PHILOSOPHY

Our camps are based on the idea that soccer must be a fun experience as well as developmental. Sportsmanship as well as competitiveness must be part of the game. Using our new updated curriculum, our program is designed to meet the needs of players at various levels of ability. Very strong emphasis is placed on the development of skills and their application in game related situations. The use of small-sided games ensures full participation by each player.

REASONABLY PRICED- Cost is \$105.00 for each player and a \$10 discount for additional family members. That covers 5 days with 4 hours of instruction per day.

HIGH-LEVEL INSTRUCTION/ROLE MODELS- Staff, which relates well with players, now includes teachers from our local schools who are coaching soccer at the High School level as well as advanced college players who have all played in our league. All coaches have a coaching license and have gone through the risk management screening.

IDEAL RATIOS- Coach to player ratio is typically 1 coach to 8-9 players.

IDEAL DIVISIONS- Players are broken down by 2-year age groups and by gender when possible. Friends, teams kept together.

TAILOR MADE- Our camp curriculum is designed to allow our coaches to adjust the skills depending on the player's age and abilities.

ABOUT THE STAFF

Our League has trained many of these advanced players to become coaches and role models for our new generation of players. We provide your youngsters with the opportunity to learn more about the game. We allow them to work closely with someone who knows the game, where the game can lead them and what is necessary to be successful. A sample of some of our coaches qualifications are listed below.
